Subject: RE: Deschutes brainstorm

Hi Chris – thanks for reminding me. I was trying to remember if I had set anything up and couldn't find it on the calendar!

Hm, let me see if I can pull together some materials by tomorrow. If not, I may end up postponing it.

Hi everyone,

I was hoping to pull from your expertise and brainstorm some ideas for how to handle some of the more puzzling aspects of the Deschutes TMDL. I will send out more background materials and an outline once we get closer, but I wanted to go ahead and reserve this time.

Thanks for your help!
